Drainage Plumbing

A & C PLUMBING are experts in clearing drains promptly and successfully. We can provide repairs and renewals to all your drainage problems.

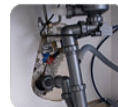

Blocked drains – we will inspect and determine cause and location of blockage using latest techniques and equipment via electric drain cleaning machine and cables or high velocity water jet.

Repairs / Replacement – replacing of section of sewer/stormwater drains can be carried out by our qualified plumbers. Boundary traps and shafts to be replaced via mini excavator.

Drain maintenance – A & C Plumbing highly recommend you participating in our regular maintenance program to help prevent emergency issues. Save yourself undue stress and dollars and arrange an appointment.
