PROPPING HIRE THAT SUPPORTS ALL YOUR NEEDS

The smart choice in intelligent propping solutions

Preston Hire offers a wide range of intelligent propping solutions for those working in the building and construction industry. Our extensive range of adjustable props is available for hire across Australia, ensuring you can always find the quality propping solution you need, wherever and whenever you require it.

As a company that has been supporting the construction industry for over 40 years, Preston Hire has a thorough understanding of propping needs and can not only offer you quality, industry-leading construction propping systems but can also provide expert advice and support that makes your job easier, along with our cutting-edge equipment.

Preston Hire provides a range of adjustable construction props for hire, including:

- General Construction Prop
- Preston Hire SuperProp
- Multiprop - MP250, MP350, MP480, MP625
- Heavy Duty Prop - HD200
- MegaProp

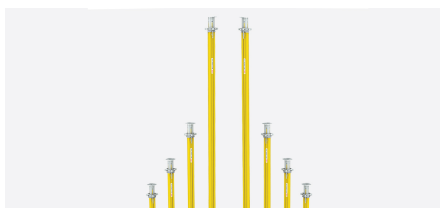

Our heavy-duty vertical and horizontal SuperPropping system incorporates the very latest in safety and design. Quick, easy and reliable, the SuperPropping system is a must-have on any construction site. With your project requirements demanding that you deliver in terms of budget, time efficiency and safety, we know you demand the best from Preston Hire and we provide it with SuperPropping - a system which works perfectly in conjunction with the Preston Hire SuperDeck™ loading platform system, our SuperCranes crane fleet and other back propping requirements.

If you're looking for a reliable project partner to deliver quality construction propping systems, professional consulting support and flawless service, Preston Hire is the one to call.

With our extensive branch network across Australia, Preston Hire offers quality hire equipment and dedicated support in Adelaide, Darwin, Melbourne, Sydney, Brisbane, Perth and the Gold Coast.

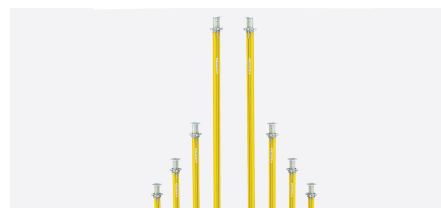

To discover how you can hire from our SuperPropping range at super competitive prices, contact Preston Hire today on 1800 440 550.
