pearl range

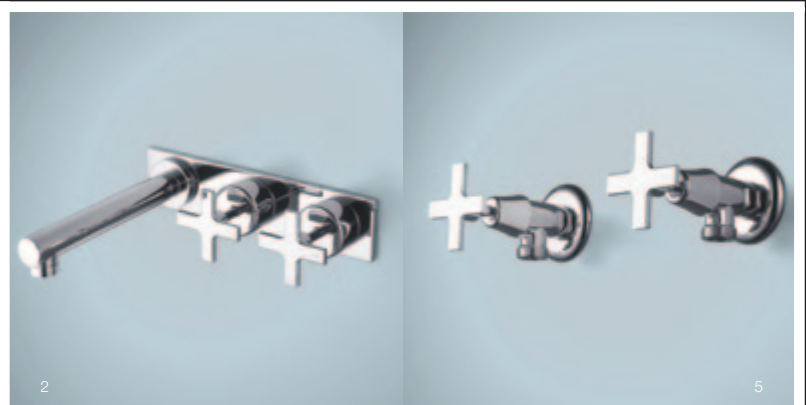

With their soft, bell shaped curves, the Pearl range is all about stunningly individual design. The option of thin lever mixers or more traditional cross style handles, gives you the flexibility to achieve the look you desire. Pearl tapware is part of a Dorf's integrated bathroom range that all share similar lines and styling for a perfectly integrated result.

All Three Piece tapware available in Cross Handle or Lever Handle.

dorf pearl

sirrocco range

Sirrocco delivers classic lines with a contemporary twist. Characterised by its distinctive handles and soft curves at the base, the range is uniquely modern while retaining a timeless elegance. Enjoy the best of both worlds with Sirrocco.

The Capella range combines bold curves with straight lines to create a soft minimalist effect that injects a designer touch into any contemporary bathroom. The easy to use lever handles work beautifully to frame the wall or basin, adding symmetry and balance in any bathroom setting. And made from DZR brass, Capella has the substance and the style for long lasting pleasure.
