

STIGA

A woman with blonde hair in a ponytail, wearing a grey long-sleeved sweater and light blue shorts, is riding a yellow and grey Stiga riding lawn mower. She is looking towards the camera. The mower is on a well-maintained green lawn. In the background, there are trees and a fence, slightly out of focus. The overall scene is bright and sunny.

ENJOY THE RIDE.

BORN TO RIDE EVERYWHERE.

PEDAL OPERATED HYDROSTATIC TRANSMISSION

With no gears to operate, hands remain comfortably on the steering wheel for less tiring and safer cutting sessions.

CUTTING WIDTH UP TO 108 CM

Wide and reinforced cutting decks. Featuring timed blades and anti-scalp wheels, they can be set up to 7 different cutting positions. Blade engagement is button operated and easy.

WORK IN COMFORT

STIGA units come with comfortable STIGA Classic Seat or a High Back Seat. The ergonomic steering wheel offers optimal grip while the ABS panel absorbs vibrations at foot level.

EASY ACCESS

Wide space between seat and steering column, allowing comfortable mounting/dismounting from the machine.

The STIGA logo is located in the bottom left corner. It features the word "STIGA" in a bold, white, sans-serif font, preceded by a stylized white swoosh that curves upwards and to the right.

LAWN TRACTOR - COMBI

The **Stiga Combi 166HQ** is an extremely compact, collecting lawn tractor providing full visibility of the working area and a narrow turning circle for ease of use where there are obstacles and complex borders to negotiate.

The Combi is the ultimate choice for the garden lover, offering a comfortable ride with a smooth hydrostatic transmission and ergonomic seat design. You and your garden deserve it, don't you?

THE SMALL GARDEN CONQUEROR

^ Visit stigamower.com.au for full warranty details.

LAWN TRACTOR - ESTATE

The Stiga Estate, Ideal for expansive green areas. You can choose to collect clippings into the 240 L rear grass collector reducing the frequency of emptying stops or utilise the Multiclip Mulching function which cuts grass clippings into extra fine particles and recycles them into the lawn as a natural fertiliser.

MOW THE DAY AWAY

Electromagnetic PTO Engagement
Instant, safe activation/deactivation of the cutting blades by simply pushing a button. Ideal for quick disengaging of blades.

Soft grip steering wheel
Maximum comfort and the most enjoyable driving experience.

240L grass collector
Big grass collector, reducing the need for emptying.

Advanced collecting tunnel
The smartest collecting option thanks to the central tunnel, the cut grass is completely discharged into the rear collector.

Headlights
Ultimate technology giving the best visibility possible, in any condition.

Timed twin-cut system
Unique timed blade, giving the best cutting performance in the market.

Anti-scalp wheels
Preventing the risk of scalping while cutting uneven surfaces.

Quick release wheels
Instant wheel change by simple removal of a metal retaining ring.

Bumper
Protecting the tractor front from obstacles.

WHAT MODEL SUITS YOU?

TORNADO

A sturdy and reliable tractor built on a strong structure and able to mulch clippings or tackle properly through side discharge.

COMBI

All devoted garden lovers deserve a lawn tractor. If the love is greater than the garden, Combi is the ultimate choice in smaller tractors, combining design with practical features.

ESTATE

Superb driving comfort and precise manoeuvrability, collecting up to 240 litres of cuttings or leaves, fast switching between mulching and collecting.
