CALL 0437 733 350

OPEN OUT OF HOURS

Adelaide Emergency Dental has provided emergency dental services since 2010.

Our professionally trained dental team has more than 50 years of combined experience, and provide professional treatment sympathetic to your dental emergency, dental accident or urgent dental situation.

Adelaide Emergency Dental provides dental services and related treatment across wide range of dental emergencies and accidents – from a broken baby tooth to major swelling and dental trauma, and everything in-between.

Equipped with the latest in dental technology including dental lasers, operating microscopes, laughing gas, (nitrous oxide) and digital x-rays we have the solution to your dental emergency.

Adelaide Emergency Dental are here to help day and night appointments including nights, weekends and public holidays.

- We can help provide emergency pain relief for dental issues
- We can attend to you in the event of a dental accident
- We can alleviate your painful toothache

Don't put off your dental appointment any longer.

Adelaide Emergency Dental can help ease your pain and discomfort NOW - contact us today on **0437 733 350!**
