

1st Choice Mechanical Repairs is centrally located in Wollongong. Our goal is to be the PREMIER Mechanical service centre in the Wollongong area!

Customer satisfaction and quality workmanship are second to none. Providing a personal service, explaining what needs to be done clearly and honestly is our priority.

We WILL go the extra mile to satisfy all of our customers. We will pick up and deliver your car if this assists you. We will detail the interior and shine the tyres as part of the service we provide to stand out from the rest!

We understand YOUR vehicle is an asset to you. It has to be SAFE and reliable. We ensure that it will be looked after and your safety is our priority. Keeping you informed is all part of the service provided.

We want your business! We want to provide a service that you as a person and a customer deserve. Our service and attention to detail is second to none!

We hope to be your continual future choice when it comes to all facets of Motor Vehicle repairs of the smallest or larger scale issues.

Thank you...
