

Fares

How to calculate your fare?

Fares are calculated based on the number of zones you travel through during your journey. To calculate your fare, subtract the lowest zone you have travelled in or through, from the highest zone you have travelled in or through, and add one zone.

This will determine the correct number of zones you will be charged for.

2. Plan to arrive at least five minutes prior to departure.
3. Check the approaching bus is the service you require by looking at the destination sign.
4. At designated bus stops or to hail 'n' ride, signal the driver clearly by placing your hand out as the bus approaches. Keep your arm extended until the driver indicates. Hail 'n' ride is only available at locations deemed safe and appropriate. Hail 'n' ride is not available in the Maryborough or Pinalba CBDs.
5. If you have a concession card, have it ready to show the driver.

7. Once you've boarded just sit back and enjoy the ride. If you need to stand, securely hold on to a handle.
8. Ring the stop bell at least 100 metres before your stop. If you are unsure where you should get off, ask the driver when you are boarding the bus and remain seated until the bus stops.
9. To get off the bus between stops, you should advise the driver where you want to get off when boarding.
10. If crossing the road after alighting, wait for the bus to move away and check the road is clear.
