WHY BUY YOUR FORKLIFT SEATING THROUGH US?

Here at **Advanced Suspension Seating Laverton** and **Pharlap Seating Thomastown**, we:

- ☑ have 15 years experience in the industrial seating industry; selling new seats as well as repairing both KAB Seats and other well known seating brands.
- ☑ have 2 showrooms filled with a wide range of seating options for any vehicle application. This allows you the freedom to sit on the applicable seats and ensure the one you choose is the most comfortable option for you.
- ☑ we offer very competitive pricing, so you know you're always getting the best quality at the fairest price.
- ☑ our experience has given us the skills to conduct quality, reliable repair work on a wide range of industrial seating, no matter what the brand.
- ☑ we carry a comprehensive inventory of spare parts. This enables us to conduct most repairs in the shortest possible turn-around time.
- ☑ we offer free quotes with no-strings attached.
- ☑ we also offer a trimming service, with a wide choice of colours and fabrics on-hand. This means we are able to re-trim your seat in your choice of trim in-house.
- ☑ we are committed to delivering exceptional customer service. Thus, if you are unable to come to us, we're happy to come to you.
