# HEAVY DUTY

KAB Seating's premium air suspension seat for the agricultural industry. Packed full of features, it's guaranteed to meet your every need.

Unlike the rest of the KAB agricultural range, the KAB comes standard with horizontal isolators for enhanced ride control and comfort. Uniquely, it also features a one-touch-riser for enhanced user-friendliness and a swivel function for comfortable rearward vision and easy vehicle entry/exit.

The isolator feature makes the KAB best suited to the tougher vehicle applications such as large tractors, combine harvesters and large tele-handlers.
