## ABOUT US

Scarborough Beach Physiotherapy was established in 2001 in the coastal suburb of Scarborough, Western Australia.

Our principal physiotherapist, Jurek Wsolak, completed his degree in Adelaide and graduated in 1991 from the University of South Australia.

With over 23 years experience in both private practice and hospital settings, Jurek is an expert in treatment of conditions ranging from acute to chronic, for both adults and children.

Areas of interest include:

- headaches
- neck and back pain
- joint sprains
- overuse injuries

- poor posture
- sporting injuries
- muscle strains, and
- arthritis

Appointments can be made without a doctor's referral, but Work Cover, Motor Vehicle Accidents and Veteran Affairs patients require a referral.

We also offer [sports physiotherapy](#) at Scarborough Beach Physiotherapy so get in touch with us to book your appointment.
