Welcome to Camira-Springfield Chiropractic Centre

Established in 1995 Camira-Springfield Chiropractic Centre has been providing quality chiropractic care through caring service to our patients, family and children so that they can gain and retain their highest possible level of health. On every visit to our practice you will be greeted and made to feel at home by our staff. Everything will be explained fully and in detail and we persuade you to ask questions if you do not understand something.

Your Chiropractor

Dr Paul Nothdurft completed an anatomy and physiology Science Degree from the University Of Queensland, before he completed a Masters of Chiropractic at Macquarie University in Sydney in 1990. He worked as an associate in several Brisbane practices before opening a practice in Camira in 1995. This has been his passion ever since. Dr Nothdurft is a member of the Chiropractors' Association of Australia. This means he is bound by a code of ethics and is required to undertake ongoing continuing education to update his skill and knowledge for your benefit.

Dr Nothdurft is committed to excellence and has developed a sound reputation for effective and professional care. The team at Camira-Springfield Chiropractic Centre understand the needs of people who may be in pain, feeling vulnerable and unsure about where to turn. We are comforting, gentle and compassionate people. We ensure your safety and confidence. Many of our patients refer their friends and family to us readily.
