

RHEEM 27 CONTINUOUS FLOW WATER HEATER

PERFECT FOR LARGE FAMILIES WITH LIMITED SPACE, BUT BIG DEMANDS FOR HOT WATER

Hot water that never runs out. Rheem 27 is our highest capacity continuous flow gas water heater. With 27L/minute capacity it can deliver that little bit of extra hot water when you need it.

FEATURES AND BENEFITS:

- **5.8 Star energy efficiency** – good for the environment, and saves on energy costs
- **27 Litre/minute continuous hot water delivery** – ideal for families and large homes^{2,3}
- **Reduced water wastage** – reduced flow during start-up
- **Flamesafe® overheat protection** – shuts down your heater before overheating can occur
- **Remote Temperature Controller options** for added convenience and safety
- **Extra safety** – 50°C temperature limited models available
- **Rheem Q Factor™** – ensures rapid hot water every time, with none of the fluctuations
- 10 Year Warranty¹
