

Ideas for Living

LUXAFLEX® WINDOW FASHIONS

Ideas for Living

Light Control

LUXAFLEX® Window Fashions can help you to control light by easily adjusting light levels to improve the mood and outlook within your home.

Environment

LUXAFLEX® Window Fashions can assist you in creating a comfortable environment within your home with the extensive range of energy efficient shading solutions.

Privacy

With LUXAFLEX® Window Fashions, your privacy is assured with fabrics that provide many levels of coverage.

Style

LUXAFLEX® Window Fashions will make a stunning decorative statement, brightening any room or shading a room that receives too much sun or glare and adding a dimension to your décor.

LUXAFLEX® LUMINETTE® Privacy Sheers
and SILHOUETTE® Shadings

Inside Living

LUXAFLEX® Window Fashions provide you with endless decorating possibilities in fabric, texture, trims, colour and components to enhance your home and protect it from glare, heat and sunlight.

Choose from a selection that includes innovative Soft Shades, Timber Venetians and Shutters, Fabric Roman Shades, Roller Blinds and Sunscreens, Aluminium Venetian Blinds plus many more.

LUXAFLEX® DUETTE® Shades

LUXAFLEX® Roller Blinds

Soft Shades

LUXAFLEX® SILHOUETTE® Shadings

The exclusive range of LUXAFLEX® Soft Shades, provides your home with variable light control and privacy in a range of elegant and luxurious finishes. LUXAFLEX® Window Fashions Soft Shades range is uniquely tailored to stylishly transform your home.

LUXAFLEX® DUETTE® Shades

LUXAFLEX® DUETTE® Shades

LUXAFLEX® DUETTE® Shades are exclusive to LUXAFLEX® Window Fashions and offer a high level of energy efficiency compared with other window coverings. LUXAFLEX® DUETTE® Architella Shades are a revolutionary new product which takes one honeycomb and nestles it inside another, resulting in truer colours, crisper pleats and superior energy efficiency.

LUXAFLEX® SILHOUETTE® Shadings

LUXAFLEX® SILHOUETTE® Shadings are a luxurious combination of horizontal fabric vanes floating between two sheer facings that filter light and provide you with privacy and light control.

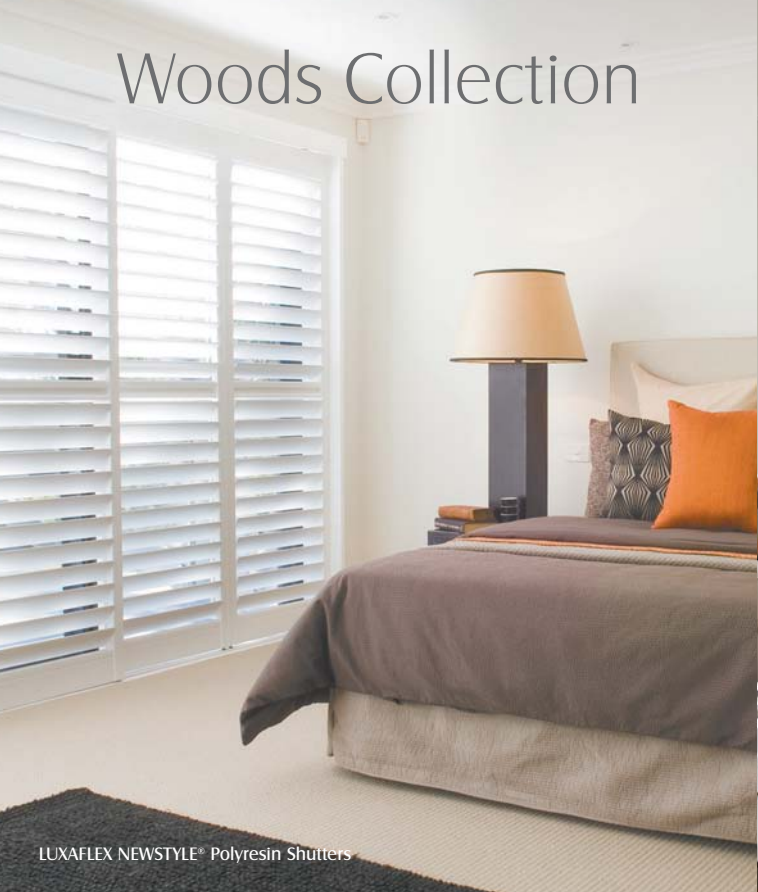

LUXAFLEX® LUMINETTE® Privacy Sheers

An exquisite window treatment, LUXAFLEX® LUMINETTE® Privacy Sheers offer you a softly filtered view and privacy with easily controlled shades. The luxurious look of drapes is accentuated at night when the blind is closed. LUXAFLEX® LUMINETTE® Privacy Sheers are used to control sunlight in the most elegant manner.

Woods Collection

LUXAFLEX NEWSTYLE® Polyresin Shutters

The innovative LUXAFLEX® Woods Collection, featuring the contemporary LUXAFLEX NEWSTYLE® Basswood and Polyresin Shutters, traditional COUNTRY WOODS® Venetians and BEYOND WOODS® Blinds provide the natural beauty of timber with the perfect blend of modern and classic elegance.

LUXAFLEX NEWSTYLE® Shutters

LUXAFLEX NEWSTYLE® Shutters, available in Basswood and Polyresin, are the very essence of classic style and sleek function to complement your décor. LUXAFLEX NEWSTYLE® Polyresin Shutters have a 20 year warranty*, are unaffected by rain or water and do not fade.

LUXAFLEX® COUNTRY WOODS® Venetians

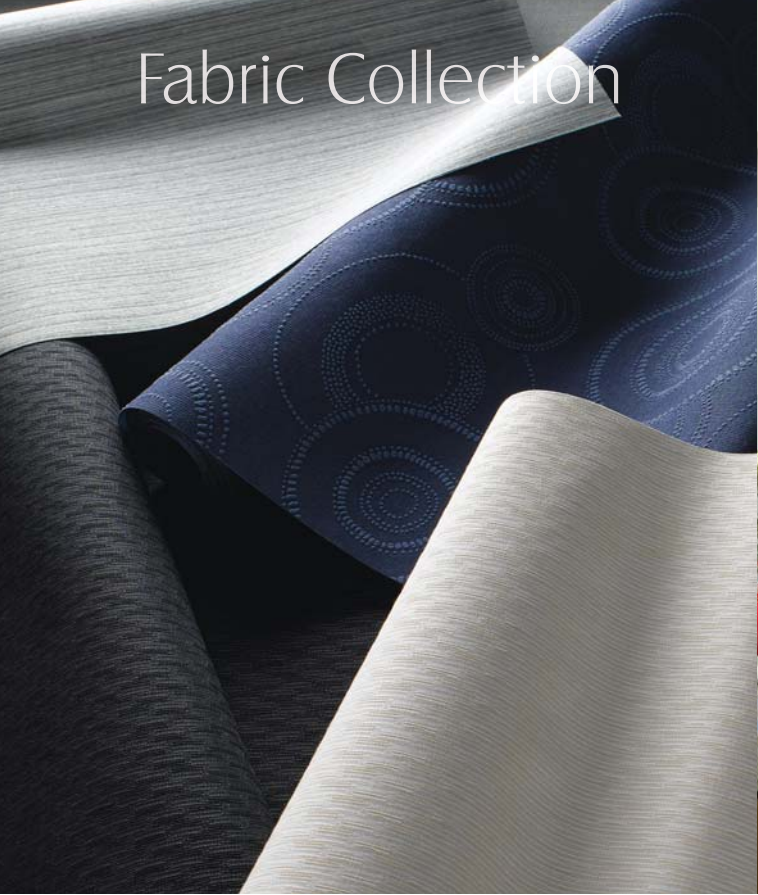

If you appreciate the look and feel of natural timber, then LUXAFLEX® COUNTRY WOODS® Venetians are the perfect choice. Available in a range of colours and lacquered finishes, LUXAFLEX® COUNTRY WOODS® Venetians can be colour co-ordinated to suit your décor.

LUXAFLEX® BEYOND WOODS® Blinds

LUXAFLEX® BEYOND WOODS® Blinds are made from engineered polymer to create a stylish look perfect for bathrooms and kitchens or any room in your home that experiences high humidity.

Fabric Collection

The stunning LUXAFLEX® Fabric Collection has a vast range of colours and styles from patterned to textured, in a range of translucencies to suit your light, glare, heat and privacy needs. Many of our fabrics are Sanitized® treated for optimal hygiene and have been treated with DURAGUARD® Fabric Protector which effectively repels most stain causing agents.

LUXAFLEX® Internal Sunscreens

LUXAFLEX® Internal Sunscreens allow control of heat and light whilst maintaining your view. With their subtle design, LUXAFLEX® Sunscreens are perfect for any room heavily exposed to the sun, to reduce the glare and heat. They are available as Roller Blinds, Roman Shades and Panel Glide.

LUXAFLEX® Roller Blinds

Adaptable and versatile, LUXAFLEX® Roller Blinds combine sophisticated technology with a variety of durable fabrics from room darkening to light filtering with a wide range of styles and options, including Standard Rollers with Spring Assist, Dual Bracket Blinds, Linked Roller Blinds or Motorised Systems to complement your home design.

LUXAFLEX® Panel Glide

LUXAFLEX® Panel Glide is a fresh new look in window coverings. Comprised of a series of smooth fabric panels that glide effortlessly sideways on a simple track mechanism, they create privacy, protection and an outstanding impression in any room.

LUXAFLEX® Roman Shades

With a contemporary look and feel, Roman Shades are available in four styles, LUXAFLEX® CLASSIQUE®, LUXAFLEX SIGNATURE®, Impression and Ballina. An extensive range of fabrics are available including room darkening, translucent and sunscreen fabrics. For more information on the beautiful range of fabrics available, ask for the new MULTIVISION® Fabric Collection Brochure.

LUXAFLEX® Vertical Blinds

LUXAFLEX® Vertical Blinds control heat and light in a sleek modern design, which incorporates the Ultimate Track System. Available in an extensive range of fabrics, including translucent through to blackout in a huge variety of colours, they add a fresh new dimension to a traditional window fashion.

Venetian Collection

LUXAFLEX® Aluminium Venetian Blinds

LUXAFLEX® Aluminium Venetian Blinds are simple and stylish, providing a timeless design that suits many decorating styles. Available in 25mm Slimline, 16mm Micro and 50mm Classic slat widths. Each of these provide excellent control of light, temperature, ventilation and privacy.

Outside Living

Enhance your outdoor living with the LUXAFLEX® Contemporary Series and Timeless Collection of Awnings. Offering beautiful, practical and durable shading, available in a range of styles and fabrics, the LUXAFLEX® Outside Living range protects you and your home from different environmental conditions.

LUXAFLEX® SMARTSCREEN® External Sunscreens

LUXAFLEX® SUNRAIN® Awnings

LUXAFLEX® Garda Awnings

LUXAFLEX® Folding Arm Awnings

The LUXAFLEX® Contemporary Series of Awnings are designed to allow maximum use of your outdoor areas with an attractive design created to integrate into any Australian home style. The new range of Folding Arm Awnings, that complete the Contemporary Series are the SUNRAIN®, Como, Garda and Ventura Awnings. They are German designed and engineered for enhanced durability in the harsh Australian climate.

www.luxaflex.com.au

LUXAFLEX® Ventura Awnings

LUXAFLEX® Folding Arm Awnings

The Contemporary Series of Folding Arm Awnings are suitable for large outdoor areas with a maximum width of up to 13 metres and 4 metre projection due to new joining technology. Available with optional sun and wind sensors, they allow automatic control for optimal management of heat, glare and wind.

LUXAFLEX NEWSTYLE® Polyresin Shutters

Made from a polyresin compound that is colourfast with UV stabilisers designed for strength and durability. The shutters will not blister, peel, flake, corrode or fade and will never need painting, making them suitable for outdoors. LUXAFLEX NEWSTYLE® Polyresin Shutters have a 20 year warranty.*

LUXAFLEX® Tempo 100 SD Awnings

The LUXAFLEX® Tempo 100 SD Awning, another great addition to the Contemporary Series, provides a great, contemporary solution for effectively reducing glare and UV entering the home, therefore ultimately reducing costs. Available in widths up to 5 metres, the awning suits wide applications such as verandahs, patios and external windows.

LUXAFLEX® SMARTSCREEN® External Sunscreens

LUXAFLEX® SMARTSCREEN® External Sunscreens effectively control heat and UV rays before they enter your home. Available in three different operating systems, LUXAFLEX® SMARTSCREEN® External Sunscreens provide a modern and stylish look with the functionality to protect your home all year round.

LUXAFLEX® System 2000 Awnings

LUXAFLEX® System 2000 Awnings provide flexibility and are perfect on homes that are more than two stories high to allow for a consistent visual aesthetic. Manual operation for ground and lower level awnings, where access is easy, can be integrated with an internal winch or motorised remote controlled awnings on upper levels for ease of operation.

LUXAFLEX® CARIBBEAN® Metal Awnings

LUXAFLEX® Fixed Metal Awnings provide perfect shading to patios, verandas, external windows and doors to enhance the look of your home. Available in six different styles, depending on your needs, they can span widths of up to 5 metres and project up to 2.5 metres depending on the style you choose. They are available in a range of colours to perfectly complement your home.

LUXAFLEX® Metal Louvre Awnings

LUXAFLEX® Metal Louvre Awnings are extremely effective for providing privacy, light control and air flow for balconies and external windows. LUXAFLEX® Metal Louvre Awnings are painted using the proven HD COLOR-COTE® Paint System which is extremely durable.
