

# *Why use* **Mortgage Providers?**

All of the consultants at Mortgage Providers Pty Ltd have considerable experience in the Finance & Mortgage Industry. Most have been employed at Senior Level in the Banking & Finance Industry.

Our consultants are trained to provide you with the best financial solutions for your lending requirements, which will enable you to achieve your lifestyle and business goals.

As independent consultants, we offer clients a choice of the most competitive loans in the market place (provided by banks, credit unions, building societies, non-conforming lenders, insurance companies and other money lenders).

At Mortgage Providers Pty Ltd we represent the client and NOT the Financial Institution. We will also receive better deals through economies of scale.

We offer a **TOTALLY FREE SERVICE** for Home & Investment Loans and all our clients will benefit from our experience.

We can assist with all enquiries from anywhere in Australia; there are no state boundaries to the services we offer!

We also have our own private funds, which we approve in-house.
