Welcome

As technology in the field of dentistry had taken amazing strides, so too has our Dental Surgery. Your smile and oral health are top priority for our dental team. Dr. Winnie Tang and her well-trained staff are very proud to provide you with the highest quality dentistry available in the most comfortable state-of-the art facility.

Carindale Dental is committed to deliver the most recent advances in cosmetic and preventive dentistry with integrity, compassion and care. Our crowning achievement is your perfect smile. Carindale Dental is a world-class dental surgery providing the highest quality of dental care.

Our comprehensive cosmetic, restorative, and preventive care includes whitening, Invisalign clear braces, the most beautiful and realistic porcelain veneers, the very best types of dental implants, mercury-free fillings, metal-free restorations, non-surgical periodontal therapy for gum infection and digital x-rays to reduce radiation exposure. Creating a beautiful smile is a blend of science and art.

At Carindale Dental, every patient is treated as if they were a movie star because we believe a smile is so important for the stage of everyday life.
