EMERGENCY BURST PIPE REPAIRS IN ELANORA & SURROUNDING AREAS

A burst pipe is a real emergency. Call Barker Plumbing Service as soon as you suspect a leak and we can carry out to get to the problem early. However, should the worst happen and one of your pipes suddenly bursts, our plumbers

ready to help and we treat all burst pipe repairs as emergencies.

A burst pipe can not only cause damage to property and surroundings, but can be hazardous, and of course, every millilitre of water that escapes from your pipe is money flowing freely from your pocket! Barker Plumbing Services has the equipment and experience to carry out burst pipe repairs quickly and efficiently. From underground pipe bursts to kitchen and bathroom pipes, we have the tools and the parts to carry out emergency burst pipe repairs, fast!

Burst pipe repairs services:

- Expert advice until we arrive on the scene
- Underground burst pipes
- Kitchen, bathroom and toilet pipes

- All work is fully guaranteed
- Prompt, professional service
