# PRESTON HIRE SERVICES

## SPECIALISED SERVICES & BESPOKE SOLUTIONS

You can count on Preston Hire to be your trusted partner in construction

With over 40 years in the construction industry Preston Hire has brought together the quality equipment fleet, gained the in-depth knowledge and expertise, and has acquired the skills and capacity to undertake any work on any project - large or small.

From hire supply and installation to engineering and tailored solutions, you can count on Preston Hire to offer the right advice from the start of your project through to completion - and deliver a project-specific response that is focused on your business - not ours.

### Professional Consulting

At Preston Hire we offer an exceptional level of expertise and knowledge born of working closely with clients across all facets of construction on projects large and small, enabling us to offer professional consulting services alongside our equipment hire.

We've worked with many leading construction companies in our decades in the industry, utilising our state-of-the-art SuperDeck™ loading platforms, well-engineered and well-maintained SuperCranes fleet and quality SuperPropping steel propping range to provide innovative and thoughtful solutions to every customer's needs.

But, quality equipment aside, it's our people that truly set us apart and set a standard others aspire to. Knowing you have a great responsibility to deliver on-budget and on-time, we can and will engineer solutions that help you deliver a quality build within all the constraints you must meet.

Working closely with you, on your schedule and to your programme, we will:

- Ensure you have exactly the right equipment for the job at hand
- Adhere to all, and fit the site into, safety standards
- Provide well-planned and individualised solutions for difficult sites
- Resolve any material handling issues on site
- Provide comprehensive solutions from project start to completion
- Always focus on delivering the safety, reliability and quality you demand

With our extensive branch network across Australia, Preston Hire offers quality hire equipment and dedicated support in Adelaide, Darwin, Melbourne, Sydney, Brisbane, Perth and the Gold Coast.

To discuss your hire needs, contact Preston Hire today on 1800 440 550.
