

*I would be delighted to create a wonderful naming ceremony
for your darling little one's celebration*

Naming ceremonies are a charming way to embrace family and friends and importantly provide a lovely recognition of a new member of the family, and the hopes and dreams parents hold for their child.

There are many lovely inclusions we can add to the ceremony, and I will create lovely certificates for you for all of the key people you want to include in your ceremony plus a lovely certificate for the parents to celebrate this special event.

A naming ceremony formally introduces the child to family and friends, and importantly confirms and bestows upon the baby or child their chosen names in a lovely celebration that acknowledges the pure love and wonderful qualities and strong family and friendship bonds that surround the child.

*I would be delighted to work with you both and together
create something special for this beautiful event in your
child's life.*
