Hi Neil

As discussed just now on the phone. I will arrange payment of your account

I meant to also say what a nice guy Nigel It can be very difficult when you are working to organise any work at the house out of normal hours. Nigel was very obliging and organised the installation on a Saturday morning. He was careful with the mess and a really lovely guy as well.

Thank you for getting things organised so quickly for me. As I mentioned the ceiling insulation has made an amazing difference.

Happy to pass on recommendations for your company.

Regards

Carole

Dear Brian and Duncan ,

Just a short note to say thanks to you both for looking after us so well with our re-roof. To say we are happy with the job would be an understatement , we are thrilled with the new roof and colour. It has added value and improved the appearance enormously . As you know I have day to day dealings with the roofing industry in my position with ITW Buildex. I have been on and seen a lot of jobs in my time , I can not speak more highly of the quality of workmanship and general manner in which the job was carried out . I could not fault it. Darran and his offsider are without doubt one of the best crews I have seen . They are a credit to your company and to the industry. It would be nice if everyone took so much care and pride in their work. In closing may I thank you once again and say I will have no hesitation in recommending Suncity Roofing to anybody in the future.

Best Regards ,
