PEARLISED BY UNILINE

Soft Metallics for Your Windows

Window furnishings transcend the functional into the realm of fashionable with the gorgeous Pearlised range. Watch the light dance across soft, iridescent tones of snow and daintree to the subtle metallic shades of raccoon and fairstar. Bring your windows to life with a statement fabric that truly reflects your design aesthetic.

Pearlised is so impeccably manufactured, it comes backed by our exceptional, 10 year industry-leading guarantee. Durability, functionality and beauty. What more could you want in a window furnishing fabric?

Shimmering Statements of Light and Colour

At Uniline, we work closely with trend forecasters to bring you the latest colours for your home and office windows. Pearlised is a true designer statement you'll enjoy for years to come. Order today and we'll despatch it within 24 hours.

Manufactured to Exceptional Standards, Right Here in Australia

Made from 100% polyester fabric with a durable acrylic coating, Pearlised comes in a robust 370 GSM weight and a .39mm thickness.

Pearlised also has an excellent UV protection factor of 50+ making its blackout properties suitable for very sunny aspects. With a colour rating of >6-7 using the ISO 105-B02-1994 Xenon Arc Method your fabric colour will look great for years to come.

Colours Available

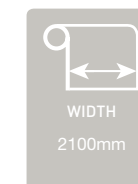

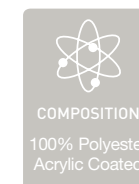

Contact us today and discover why Uniline is a market leader in the supply and manufacture of systems, components and fabrics to the window furnishings industry.
