Liano Collection

The newest additions to the Caroma Liano Collection – a range of toilet suites, matte black tapware and accessories – showcasing the very latest in design and bathroom aesthetics, with the signature quality and functionality that you can expect from Caroma and the Liano family.

The Liano range works harmoniously as a complete bathroom collection, featuring toilet suites, mixer taps, showers, basins and bathroom accessories. Embracing a distinctly Australian style, along with the technical and engineering ingenuity that has made Caroma a market leader for over 70 years, Liano is designed to impress.

10 years Caroma warranty for both domestic and commercial applications

caroma

The new Liano toilet suites offer the ideal combination of contemporary style and seamless functionality

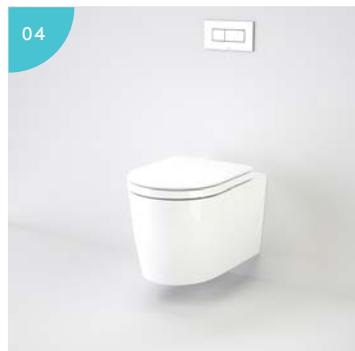

10 years Caroma warranty for both domestic and commercial applications.

Toilet Suites

The new Liano toilet suites offer the ideal combination of contemporary style and seamless functionality, making them the perfect addition to any bathroom. Boasting sharp, symmetrical lines and dependability, the Liano toilets are available in both Wall Faced and Concealed variants. They are stringently tested above industry standards, delivering optimum performance and lifespan in both commercial and domestic bathrooms.

Features

- Fully glazed box rim and trap gives a smooth surface for easier cleaning and hygiene control
- Sleek and slim soft-close lid with a quick release mechanism allows for easy removal during cleaning
- Wall Faced Invisi suite provides extra pan height and projection option for ambulant applications.
- Larger water surface area minimises unwanted marks, the need for re-flushing and the use of a toilet brush
- Tested to withstand 300kg of applied weight, ensuring long term quality

// 02 Liano Wall Faced Invisi II Toilet Suite

// 03 Liano Wall Faced Invisi II Easy Height Toilet Suite

// 04 Liano Wall Hung Invisi II Toilet Suite

// 05 Uni-Orbital Connector

Liano Wall Faced suites are supplied with Caroma's patented Uni-Orbital Connector, ensuring unparalleled set out flexibility. Exclusive to Caroma, the Uni-Orbital Connector saves on time and cost during the fitting process.

Basins

The new Liano Nexus basins display a signature architectural, minimalist style – with sharp lines and symmetrical finishes working seamlessly and beautifully within the Liano collection.

Available in semi-recessed, wall and inset basin configurations to offer flexibility and complement a range of bathroom projects, the Liano Nexus basins will impress users – day in and day out.

Features

- Available in 0 tap hole and 1 tap hole versions
- Supplied with overflow and includes flush-fitting white plug and chrome waste
- Semi-Recessed and Wall Basin can be installed to comply with AS1428.1
