

LINKED FLEXSHADE Q14 CENTRE POST UMBRELLAS

The Royal Hotel, Kensington

Client: HT Constructions
Location: The Royal Hotel, Kensington, Adelaide
Project: Twin Linked Q14 Centre Post Umbrellas
Fabric: Waterproof PVC

Scope of Works:

As part of continuing renovations and general upgrade of The Royal Hotel, Kensington, Shadeform were engaged to supply and install these two Q14 Centre Post Umbrellas. The Umbrellas feature a custom link panel to provide continuous waterproof protection between the Umbrellas. The total coverage of the units with link panel is approximately 37 sqm - this provides valuable commercial space with year round protection.
