Security Wonthaggi - Shadow Protective Services

Welcome to Shadow Protective Services

The presence of one or more static security guards on site 24 hours a day, seven days a week has proven to be extremely effective method of securing site or business premises.

Whether you choose a full time or part time static guard is up to you. **Shadow Protective Services** has the flexibility to give you cover when you need it and will help you work within your budget.

We can offer your business long or short term cover to suit your requirements.
