

## Pre-Packing

### Packing your Household contents

Packing your household contents can be a daunting task. Good planning and packing can make the move so much easier. Good solid boxes will ensure your goods are well protected in the move. Labelling all the boxes will make it easier for the removalists to put the boxes in the correct rooms. At Zippy Removals we can assist you with the packing of your goods.

### Full Pre-pack

For people leading a busy lifestyle Zippy's can come in and pack up your entire house. We send highly experienced staff with good quality packing materials to take care of all your goods. All boxes will be labelled, large pictures and mirrors will be bubble-wrapped. Garden sheds and garages can also be packed up to make the move easier.

### Partial Pre-pack

If you prefer to pack some of the goods yourself but are not confident with fragile items or prefer to have the kitchen packed by Zippy's, we can do this for you too. We send experienced staff to take care of all your fragile items and pack and label them correctly.

### Self Pack

Zippy Removals have a large range of good quality packing materials for sale if you wish to do your own packing. Good quality boxes and packing paper ensure your goods are well protected. Check out Zippy's range of packing products to find out what you will need for your move. The staff at Zippy's can help you out with any questions you may have.
