"Andrew,

*May I thank you sincerely for all your efforts over the past 14 months. Your care and eye for detail was very much appreciated. You made what could have been a very difficult process quite bearable and for this I thank you. I also felt at all times that I was in the very best of hands and this gave me great confidence.*

*Your staff, from the girls at reception right through to your wonderful secretaries also could not be faulted in their efficiency and caring nature.*

*Thank you all so much."*

*Last Thursday was one of those times.*

*We had a Win! Justice prevailed and I witnessed a very special human being defend what is "good" and "right" in all of us, the right to be human.*

*Could you please thank Paul personally for me, the stars are for his forehead...*

*Thank you"*
