

## About Jess

My name is Jess and I am an emerging stylist at Hair Cartelle.

If I had to describe myself I would say I am an outdoors girl who has always loved adventure and travel. I am quite caring and kind and I love to make people feel good! If I am not working in the salon, you can find me on my parents beautiful farm in Ingham, riding horses, motorbikes, fishing, camping and spending time with my partner and family.

When I was younger I was always thinking about what I wanted to be and hairdressing was always the career I never stopped thinking about. I chose to complete a certificate II in hairdressing through year 11 and 12 and also had the opportunity to gain a lot of work experience in local salons. Working in several salons provided me with a broad insight to the world of hairdressing and ignited my passion! Once I moved to Townsville I was lucky enough to earn myself a full-time apprenticeship. This year I was then asked to join the Hair Cartelle team, where I now enjoy meeting lovely people and absorbing industry knowledge and skills from expert stylists. I look forward to the coming years at Hair Cartelle and becoming the best expert stylist I can be!

Love Jess x
