# Essentials

## Washplane

The Omvivo Washplane® is one of the most luxurious bathroom fittings available and is designed to simplify, yet enhance the washing ritual.

The Washplane® is supplied with hardware and drainage system which is installed into a cavity wall. A 150mm wall outlet for a Single 800mm Washplane® and a 200mm wall outlet for all others are recommended. Outlets must use 5-7 litres per minute with the water falling at a 90 degree angle directly onto the Washplane® top. Each Washplane® is designed and manufactured in Australia

# Essentials

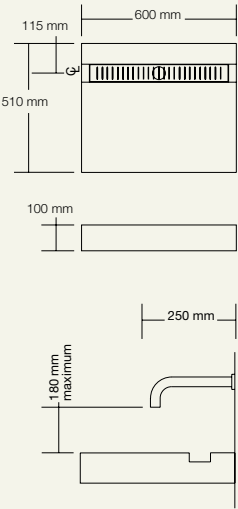

## KL

The KL vessel, made in Italy, is a bench mounted basin designed to have wall mounted tap-ware. It is supplied with a waste and a unique stainless steel grate. A 250mm wall outlet using 5-7 litres per minute is recommended, with the water falling at a 90 degree angle directly down onto the vessel.

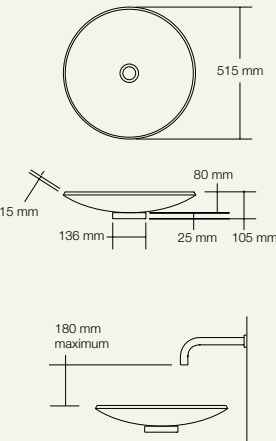

## Pond

The Italian made Pond vessel is supplied with a polished chrome pop up waste and polished chrome spacer. An outlet using 5-7 litres per minute is recommended.

### KL vessel Ceramic

### Pond vessel Ceramic

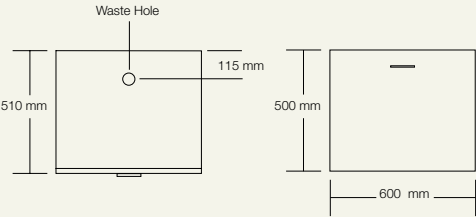

## Motion Cabinets

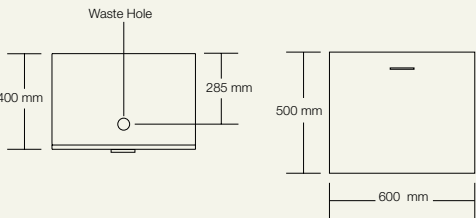

The KL and Vessel wall mounted Motion Cabinets are made in Australia and are supplied fully assembled. The KL cabinet has an internal cosmetic drawer and all drawers are soft close.

### Motion KL cabinet

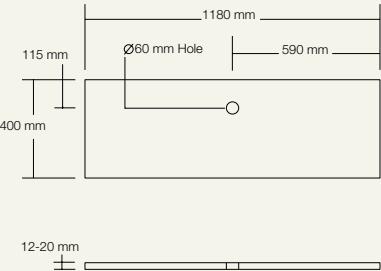

### Motion pond cabinet

## Vessel shelf

The optional Vessel Shelf is positioned between the vessel and cabinet to provide additional bench space and to visually complete the design. It is also an excellent way of customising the look of your furniture.

# Finishes

## Solid Surface

Omvivo's Solid surface finishes have a wonderful smooth surface that is exceptionally hard wearing, durable and easy to maintain, ideal for residential and commercial applications. Omvivo solid surface is non porous making it extremely stain resistant, scratches and marks can be cleaned or buffed out and in most cases it's even repairable when damaged.

## Caesarstone®

Caesarstone is a composite material created from high levels of quartz (approx 93% Quartz aggregates) and resin. It has an attractive consistent finish, is extremely durable and does not need ongoing sealing like natural stone.

## Omni glass

Italian Omni glass is superior in quality and finish. It has an acid etched top surface, creating a luminescent appearance that is resistant to marks including fingerprints and watermarks. Omni glass is colour backed in standard finishes and can also be custom coloured.

## Malt Timber Wrap

Malt timber wrap is a European pressed laminate with beautiful warm tones and texture. This material is recognized for its exceptional durability and quality, as well as superior finish.

## Thermofoil

Thermofoil is a superior quality vinyl wrap, an extremely durable material which is very simple and easy to clean. The elegant finish combines contemporary clean edges and sharp lines
