

Wollongong City Excavation & Demolition prides itself on its commitment to safety, customer service, affordability, and knowledge. Backed by highly trained experienced staff and more than a decade of industry experience, you can rest assured that your project is in safe hands! Our services include earth moving, demolition, asbestos removal and civil construction, and we can tackle any size project!

Wollongong City Excavation & Demolition holds a current SafeWork (formerly WorkCover) Restricted Demolition Licence (AD212589) and have completed hundreds of demolition projects including residential, commercial and industrial structures.

All our demolition works are compliant with all relevant government and regulatory bodies, and no project is commenced without extensive risk assessments and safe work method statements.

All staff are appropriately qualified with relevant licences, and undergo regular training and professional development to stay up to date with latest industry updates.

We understand the impact demolition work can have on the environment, and we pride ourselves with our waste and recycling policies implemented by our experienced staff

Our demolition services include, but are not limited to:

- ◆ Strip out
- ◆ Civil demolition
- ◆ Asbestos removal
- ◆ Internal & external demolition
- ◆ Residential, commercial and industrial demolition
