

# Jacqueline Close Moore – Tour dates and public events 2016

---

## Tour dates 2016...

2016 sees Jacqueline teaching a dedicated year long, ongoing class in addition to her normal full time clients, event appearances, and radio. She is also writing for extra online publications, as well as her own projects. This means that public event appearances will be fewer and carefully selected in 2016 in order to fit in around the demands of the higher workload already undertaken. Past tours saw Jacqueline appear at 30 events in 2015, and 25 events in 2014, in addition to consulting her fulltime clients, working with her regular, ongoing students, presenting and managing her weekly radio show Soul Star Radio, and writing for various print and online magazines.
