

Harmony Air Conditioning – Sydney's trusted air conditioning repair, services and Installation specialists

Harmony Air Conditioning, based in Mount Annan, Green Valley and Sydney, has established itself as a leading air conditioning, ventilation and climate control repair specialist, focusing on the full restoration of existing units with a scope to provide installations where necessary.

Harmony Air Conditioning has worked tirelessly to apply our 30 combined years' experience into each air conditioning repair project we undertake – we have honed our skills and developed our knowledge to provide an unparalleled level of workmanship and ultimate peace of mind for our clients.

Our experience has led us to provide an air conditioning and climate control repair and installation service that encompasses world-leading brands as well as lesser-renowned makes. Harmony Air Conditioning employs a team of fully-qualified technicians, educated and certified under the ARCTick accreditation scheme to allow for the appropriate handling of refrigerant, as well as holding the necessary contractor licenses to deliver professional repairs and installations.

With our attention turned to the residential market, Harmony Air Conditioning can work to effectively deliver on and beyond our clients' expectations, time and time again.

Contact Harmony Air Conditioning today on 0402 831 588 for a free, no-obligation quote and see how much you could save by simply repairing your existing air conditioner, rather than buying a brand new one!

If you find that you don't have the time for a call, email us to make the same enquiry electronically. One of our friendly representatives will be in touch as soon as they become available and answer any of your questions in the process.
