

The Principal and staff of Shaddicks have an extensive knowledge of the local area and we are all personally committed to providing a high standard of legal services for the people of the Hawkesbury.

Everyone at Shaddicks is committed to providing our clients with an excellent legal service.

Our Principal, Don Shaddick has been practising in the greater Sydney area and in particular the Hawkesbury for over thirty years. He has an extensive knowledge of the Hawkesbury and its people.

The modern technology used by the firm (comparable with that used in the major city law firms) enables us to keep pace with the demands of our larger commercial clients whilst enabling us to have time to give personal attention to our individual clients and to lend a sympathetic ear when necessary.
