### Before you travel

[ationmc.com/MedicalOnline/Booking/Registration.aspx](#)

Ideally, you should speak to your doctor at least 2 weeks before you leave, however it's never too late to obtain essential travel advice.

Make sure you have a detailed itinerary of your trip, including the type of accommodation you'll be staying in, as the precautionary measures recommended vary depending on the location you're visiting and the environmental conditions.

We are the travel clinic who provide wide range of vaccination as you need.

For enquiry, please call (02) 8313 2999
