The Pinz story

Pinz is a privately owned Australian Company that began operations in the early 80's designing and producing high quality, made to order sewn products for a small local market in suburban Adelaide.

Over the years, evolution through innovation and diversification has lead us to where we are today.

Today, Pinz is a leading national manufacturer of domestic and commercial blind and shade products with a strong focus on promoting Australian made products.

Our modern production facility is cutting edge in terms of technology, production control and quality assurance and we employ a large and varied workforce, each of them with a strong commitment to helping Pinz remain an Australian manufacturing success story.

We are proud to present the 2016 / 2017 Pinz Collection of blind, awning, shutter and shade products.

Our comprehensive range of products offers something for all market segments, from creating

beautiful homes, to resort style shading and large scale commercial applications.

Pinz has an Australia wide network of reputable retailers to assist you in selecting the right product to perfectly suit your needs.

outdoor

folding arm awnings

folding arm awnings

Maximise sunlight during winter and extend your living space over summer. Folding arm awnings add space, shade and style to outdoor areas.

As well as being a fantastic design feature of your home or business, a folding arm awning can add value to your property with an attractive and functional outdoor space, while providing significant energy savings.

Pinz **CleverAwning** options allows your awnings to close themselves when it gets windy, open themselves when the sun comes out, as well as open or close at various times of the day.

Ra

/ folding arm awnings

Featuring stylish European design and manufacture, the Ra is a beautiful, high quality, full cassette folding arm awning.

Providing the very best in protection for your awning the full cassette completely encloses the fabric roll and arms leaving a stylish addition to a home or business.
