

Colour LED Multi-Function Centre[®] with Networking Capability

The MFC-9140CDN is a high speed all-in-one, offering network connectivity and 2-sided printing to suit your busy office.

- Print / Copy / Scan / Fax
- Fast Printing - Up to 22ppm colour and monochrome printing
- Save Money - Automatic 2-sided (duplex) Printing
- Convenience - Print without PC using mobile print
- Easy Sharing - Connect with multiple users via wired/wireless network
- Reduce Running Costs- Choice of high-yield colour toners for heavy print volume

MFC-9140CDN

For increased productivity, the MFC-9140CDN offers amazingly fast and efficient colour and monochrome print speeds of up to 22 pages per minute and multi-functions – print, scan, copy and fax.

With automatic 2-sided printing, you can print on both sides and save on costs. Share your printer easily with other users by connecting it via the built-in network. With the mobile print capability, you can print your documents from your mobile without the use of a PC. Navigate easily with the intuitive 9.3cm colour Touch Screen display and improve your productivity in the office.

Brother's high-yield toner cartridges will enable you to enjoy a lower cost per page for large print volumes. For greater efficiency and more cost savings, Brother is the perfect choice.
