

# Gold and Silver Bullion

## Think about tomorrow - Buy gold today!

At Adelaide Exchange, we buy and sell gold, silver, platinum and palladium in many forms, at competitive rates. There are no hidden commissions and delivery fees - the price you are quoted is the price you'll pay.

Our gold is guaranteed .9999% pure and our silver is .9995% pure - the purest forms of bullion.

We proudly support Australian-made product, and offer Australian gold and silver for sale, including investment bars, granules, nuggets and a wide range of internationally recognised precious metal coins. See [Coins and More](#).

We supply, trade and assay gold, silver and platinum bullion in any form. We have the highest buyback on all types of precious metals - ingots, bars, coins, dental, scrap and mines gold.

As professional gold traders, we will buy bullion from any legitimate source on the planet. We do not discriminate against any brands of fine gold bars. We purchase precious metals in any form, in any quantity, with immediate settlement, and absolutely no waiting.
