

hello

I'm Carole Tulloch

Sales Consultant/Business Development

A friendly person with an easy going demeanour, Carole Tulloch is an exceptional Sales Consultant whose calm approach consistently puts her clients at ease.

Having spent a number of years as a Property Manager as well as working as a Trust Account Administrator and Office Manager, Carole enjoys an excellent understanding of all aspects of the real estate industry and is the ideal candidate for those looking for a sales consultant with unsurpassed knowledge.

In addition, Carole is a local resident who has spent her entire life in Mildura. Her familiarity with the region and in particular, Mildura's property market means she can share her expertise with clients who are contemplating settling here.

Carole has a strong belief that a real estate agent's service should not cease once a property is sold. In fact, she works tirelessly with her clients during the post-sale period leading up to settlement to ensure every detail is looked after with the highest level of care. It is this level of dedication, commitment and professionalism that sets her apart.

"I am extremely fortunate to work in a profession that

I love and am passionate about. Being able to assist people with either the sale or purchase of their most valuable asset is not something I take for granted, and I look forward to continuing to build strong relationships with my clients for many years to come."

When not selling residential real estate, Carole can often be found enjoying Mildura's quality local wines whilst spending time with family and friends. She is also partial to some retail therapy and dining at the wonderful restaurants Mildura has to offer. If you are seeking a real estate agent with a strong work ethic and commitment to her clients, contact Carole Tulloch at Barry Plant Mildura today.
