EXPRESSIONS

tall tales

Hot Banana

Limebright

Tinkerbell

Marble Mist

Modesty White

Greens featured in this theme are perfect for creating fresh and fun living spaces particularly good for defining spaces in open plan living areas.

Tom's Run

Crushed Strawberry

If you're not brave enough to use the bolder colours from this palette choose a fresh white such as 'Modesty White' and then use the bolds in the finer details.

Royal Flair

Evans Delight

Pennant

Tall Tales encapsulates the emerging trends of virtual realities. There is a resurgence in storytelling, blurring the lines between the real and fictitious, the absurd and the unexpected. It allows us to venture into dream like realities providing an outlet for escape.

By using a blend of bold and bright colours, graffiti art, cartoons and whacky objects you can create your own story.

Raspberry Sorbet

Whitewash 1

Colours shown are for inspirational purposes only and are as close to actual paint colours as printing processes allow. For most accurate colour reference we recommend a sample pot to assist with the final colour choice.

Reef Oasis

Ocean's Runway

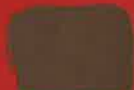

Gabrielle

Globe trotter is a bold and eclectic style of new and old. It combines influences such as pattern and colour influenced by the multi-cultural world we live in. By sharing and learning from other countries we integrate their skills, crafts and traditions into our own lives and this filters into everyday trends.

globe trotter

The rich oranges from this trend are perfect for use in entertaining areas, creating a casual and warm feel

Brown Bean

Bayleaf Brown

Taupe Shadow

Cardamon Pod

Uluu Red

Sweet Paprika

Globe trotter's bold accent colours work well with the strong neutrals

Water Jug

April Sun

Beaumonde

head space

A constant stream on connectivity is what challenges us on a daily basis, streams of information channelled through social media and new technology platforms. The demands of everyday life have driven the trend to create your own escape. The colours from "Head Space" palette are soft and light which blend well together. Any space can be transformed to a place of serenity and calm, perfect for creating the right place to wind down and relax in.

Using a screen or furniture can help to isolate an area away from the rest of the household assisting to create the ideal 'Head Space'.

Bleached White

Minimalist 1

Worn White

Bond White

China Silk

Arbella

Whitewash 1

Moon White

Use delicate pattern and textures.

Echoing the trend colours in furniture adding to the overall look and feel the ottoman ties in well with the colours from the 'Head Space' theme

precious

The Precious theme is about treasuring what we have and the natural resources the earth provides. We must find extra value in items by re-purposing revitalising and recycling. Exploring alternatives and becoming a conscious decorator by understanding the ethos and life cycle behind the products you purchase is central to this theme. The colours are derived from nature they are beautiful, rich and easy to live with.

Royal Blue

Berry Juice

Debonair

Beautiful blues reflective of water

Accent colours found in gems complement the more natural earthier tones.

By layering colours through the use of cushions, throws and artwork you can create the ultimate in sophisticated spaces and luxurious living.

Every year the Haymes team develops four key themes for the Haymes 2014 Colour Expressions Forecast based on research from international and national trends in design and interiors which are then interpreted into an Australian colour palette.

Using the Haymes 2014 Colour Expressions forecast as a source of inspiration you can create your own style statement and any of these looks are easily achievable. By choosing one colour as your main focus whether a neutral or a bold, you can easily tone down or brighten up the look with accessories and furnishings depending on your own style aesthetics and lifestyle needs, ultimately designing your perfect space.

taking the hassle out of choosing colour

step 1

Choose your colour from the large range in store.

step 2

Take home a colour sample pot and test a larger area on your home.

step 3

Select your Haymes product and get the perfect colour.

Please use a Haymes Colour Selector pot to sample these colours for your project.
