All States Medical Supplies is a leading supplier of Medical consumables and Equipment to Health Professionals, Medical Practices, Day surgeries, Nursing and Residential homes, Public and Private hospitals.

We pride ourselves on being an independent family owned company committed to serving our customers across Australia.

Our friendly team have many years experience in medical supplies and this expertise enables us to guide you through the array of available products.

We are dedicated to give you first class customer service. We are always willing to go the extra mile to keep our customers satisfied. We treat our customers as people not as account numbers.

## **Our belief is "Service is what matters"**

We have established excellent relationships with the leading manufacturers of quality medical products, we supply the brands you know and trust.

With years of experience in medical procurement and with access to an extensive portfolio of products, we can source and competitively supply any requirements you may have.

At All States Medical we pride ourselves on our ability to provide a fast and efficient delivery service. All out of area orders are sent via a high priority courier service to ensure orders are received in a timely manner. Some of the benefits of our delivery service include:

- Free In to Store delivery
- No extra charge for cold chain deliveries
- Australia Wide delivery service
- Majority of orders are dispatched the same day if received prior to 12pm

All States Medical has an online ordering system, which is linked to our website [www.allstatesmedical.com.au](http://www.allstatesmedical.com.au). The website offers an extensive range of products and is continually updated as new products are sourced.
