**WELCOME TO THE NEIGHBOURHOOD**

We Have a Gift For You!

Celebrating the move into Buderim and investing in the area! We’ve been here for 16 years and still loving it. APC Helpline Computers have serviced the Coast since 1997. If you have any problems with your computer, we’re the right people to call. Same day service or overnight, we’re fast, friendly and reliable.

We will carry out a FREE diagnosis of your computer. Just bring it in to our office at 109 Ballinger Road, located right here in Buderim. Our hours are Monday to Friday 9 a.m. to 5 p.m.

Kind Regards: Andrew & Amy Morris

**Fact: 100% of PC Hard Drives Fail!**

Don’t Lose Your Precious Data!

Have you been putting off protecting your data?
Do you have a back up drive but don’t use it?

If your computer is ‘freezing’ it’s probably telling you that your internal hard drive, where all your valuable information is stored, is about to fail.

Now is the time to do something about it. Contact us and we will get your back up plan underway.

We have back up drives or we can even organise an Online back up that enables you to access your information from anywhere in the world.

Automated back up systems are also available. Set and forget it knowing your data is safe...
