## designs for any style

### profiles

Fielders TL-5, the traditional panel fence, provides a stylish appearance that blends beautifully with any environment.

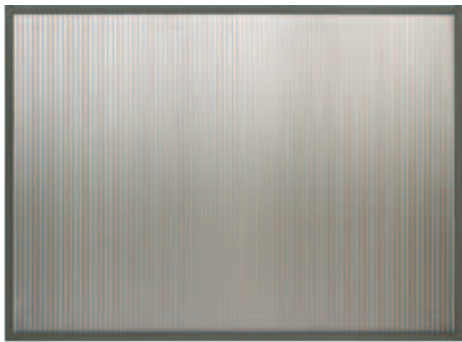

Fielders S-Rib Corrugated fencing is a reliable product that can reflect a modern or traditional design.

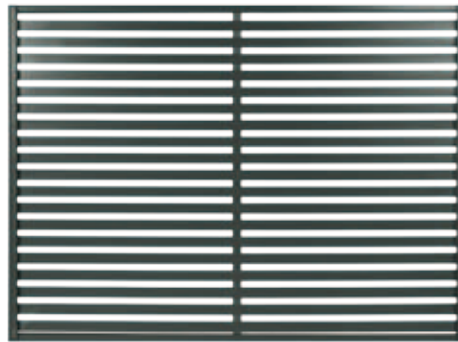

### gates

TL - 5 Gate

Fielders Mini-Flute has the versatility to create a modern or heritage look that can be used as a privacy screen or a multiple panel boundary fence.

Fielders Slat Fencing will provide a modern, sleek look to your next home improvement project.

Slat Gate

### lattice

Fielders fencing systems provides greater flexibility through its various lattice options. Choose from the standard profiles or ask us to custom make lattice to suit your design.

Fielders Slat Lattice allows both you and your neighbours to enjoy comfort and privacy without obscuring your view.
