TOILET SUITE

**STYLE &
INNOVATION**

FEATURING THE PATENTED ORBITAL™ CONNECTOR FLEXIBLE FITTING SYSTEM

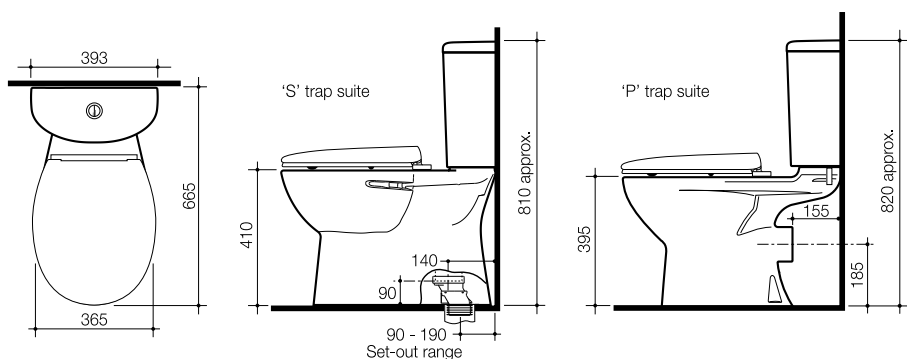

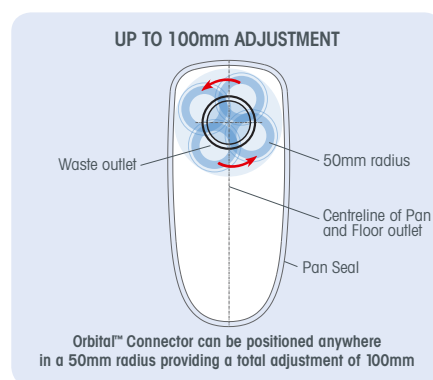

cameo WITH FLEXIBLE FITTING SYSTEM

S-trap pan version

The Caroma Cameo close coupled toilet suite features contemporary styling to complement any new bathroom design or renovation. The S-trap version comes with the patented Orbital™ Connector that can be manipulated to extend a set out in a 50mm radius, providing a total adjustment of 100mm. The increased flexibility enables the utilisation of existing plumbing footprints.

It also gives increased throughway for maximum performance to reduce blockages and siphoning which can occur with other products in the market.

All dimensions are in millimetres and are subject to normal manufacturing variations.
