Anthony knows how to handle both the vendor and buyer with impeccable manners and morals.

We loved the Cook's process when selling. Everything was easy to understand and well laid out. Anthony was very approachable and willing to work to our needs.

I would highly recommend Anthony, he genuinely loves the real estate industry and is very knowledgeable in his approach to obtain the best price for both seller and buyer.

We have had a long association with John Cook Real Estate through Jane and her team managing our investment property for more than 10 years. When we felt the time was right to sell we decided to stick with John Cook for the sale.

We were kept fully informed of progress during the sale process and although the sale took longer than we had hoped, due to the prevailing market conditions, Leanne and Anthony professionally and efficiently negotiated a successful sale. Our thanks go to Anthony, Jane and their team for their dedication and professional service over the years of association.
