SUPER SERVICE!

HISTORY

Skippen's Landscape & Building Supplies was originally established in the early 1920's, and currently managed and operated by a third generation.

LOCATION

3-5 PERRY ST. MATRAVILLE

Our warehouse is located in Matraville and occupies the warehouses at 3 and 5 Perry Street and includes large areas for the stowage of our bulk materials range.

In many regards, we are one stop shopping for materials, we do not stock a full range of general hardware, but our inventory includes all the popular and commonly used components for tradesmen of our industry.

We have a comprehensive fleet of vehicles ranging from 3.5t tippers, through 6.5t tippers, and a range of HIAB capable vehicles ranging from 6.5t to 12.5t payloads.

Also available are Larger Truck & Dog combinations delivering up to 33t of material.

MISSION STATEMENT

Our main focus is quality service to the Eastern Suburbs and surrounds but also includes the Sydney metropolitan areas. We aim to deliver first class service delivering first class product inside agreed timeframes.
