Free Happy Visits For Puppies & Kittens

Visiting the vets can be filled with anxiety and fear, especially if your pet's first visit is for a procedure or when they feel unwell.

"Happy Visits" are designed to give your new pet a positive association with the vets. The 20 minute complimentary visits are both fun and educational and include:

- Jump on the scales & consult table
- Play session with Interactive Treat-Puzzles, Kongs & Chewballs
- Learn about anti-boredom mental stimulation toys & games
- Visit the Clubcat outdoor play gym (kittens only; Broadview only)
- Cuddles with our team
- Free new pet vet check*
- Advice on Puppy & Kitten Care including Puppy Preschool

**To Book An Appointment
Call 8266 4666 or 8369 3111**

The best time to come for these special visits is as soon as your new pet has had their 6 week vaccination and definitely before their next vaccination is due.
