WE CAN HELP

- Provide information for families.
- Help families use other services.
- Provide help for families when they break up.
- Help with information on what's best for your children.
- Time for both parents.
- Time with grandparents.
- Talk about issues in an adult way without fighting.

WHY DO WE NEED A PLAN?

- Parenting plans can help you with all sorts of issues
- Parenting Plans can be made without going to court
- Both parents can be a part of their children's lives
- Parenting Plans can be changed
- If there are Family Domestic Violence Issues, we can help with information
- Grandparents, Uncles, Aunties and all cousins are important to kids.
- Your mob is important to your children's lives too.

THINK OF YOUR CHILDREN

This isn't about telling people how to raise their kids - it's about helping parents put their kids first when they don't live together anymore.

Creating a parenting plan is about making sure your children are safe and happy.

HOW MUCH DOES IT COST?

Our chats are free and private. We don't have to tell anyone what we talk about.
