Free Utility Connections & Disconnections

Imagine only needing to make contact with one Company to arrange the connection of all your major utilities at your new home.

Allied Pickfords takes the stress out of changing utilities for people on the move.

Welcome to Allied Connect!

Allied Connect can manage utility connections and disconnections at NO COST making the process a stress free experience.

These services include:

Gas Electricity Phone Internet Pay TV

Our service team makes it easy for you and deal directly with the service providers on your behalf, providing you with updates and confirmations during the process.

How Do I Get Started?

Option 1: Send an email to connect@alliedpickfords.com.au containing your name, contact details, old/new address and preferred contact time. You will receive a call to collect additional information and start the process.

Option 2. Call 1800 610 899 and ask for Allied Connect.

NOTE: It is important that you contact us with advanced notice because some utilities can take time to put new connections into place.
