

Rosetta Plumbing Pty Ltd

Work Health, Safety & Environmental Policy

Rosetta Plumbing Pty Ltd is a plumbing and gas-fitting contracting company offering its services to clients throughout Tasmania.

Rosetta Plumbing Pty Ltd is committed to the protection of the environment and to ensuring the health and safety of all employees, customers, contractors, visitors and other interested parties.

Our goal is the elimination of work-related injury, illness and adverse environmental impact. Major accident risks are minimised through the efforts of major hazard identification, assessment and control plan. We are committed to continual improvement, prevention of pollution, and to the minimisation of the main potential environmental impacts of the site – those being chemical spills and migration, energy usage and waste. Individual OHSE objectives and targets are set and reviewed annually.

Rosetta Plumbing Pty Ltd will comply with all relevant OHSE legislation and global guidelines. We will conform to the requirements of International Standard ISO14001 for Environmental Management Systems.

Employees and contractors take ownership of safety by not accepting unsafe behaviour from anyone. In our decisions and actions, we will not jeopardise safety, or the protection of the environment
