To all our valued clients,

At this time of great uncertainty, the management and staff of ASM Locksmiths and Alarms Pty Ltd would like to offer our support in maintaining your businesses needs and to ensure the safety, health and security of our clients and their charges.

We have undertaken the following;

- All our staff are fully aware of social distancing and all other COVID-19 infection control measures.
- All our staff will have their temperature monitored and recorded daily.
- All our staff have or will have received the influenza vaccine.
- All our staff will adhere to all safety and health requirements as dictated by our various client's needs.
- Staff will be available for any emergency, reactive maintenance or planned works as necessary.

At this time, we sincerely hope that we all may emerge from this crisis, as we surely will, safe, healthy and somewhat wiser.

May god bless you all and your families and together we will ride out this storm.
