

Vertical and horizontal adjustment makes installation easy and helps to overcome future gate misalignment due to gate sag or ground settling

Latch release knob sits out of reach of toddlers

Key lockable for added peace-of-mind

Side fixing legs for accurate alignment and added fixing strength. Reduces installation time.

Permanent magnets never lose strength and are sealed from elements to prevent corrosion

MAGNETICALLY TRIGGERED

NOTE: MagnaLatch Top Pull and Vertical Pull are keyed-alike

Most swimming pool barrier codes require gates to be self-closing and self-latching. The MagnaLatch® range has been designed and independently tested to meet strict international safety codes.

Protect kids! Get height requirements from your local building department to make sure the barrier complies

ROUND POST ADAPTOR KIT

The 'Round Post Adaptor Kit' is an optional kit for mounting MagnaLatch 'Top Pull' or 'Vertical Pull' latches to gates and fences with round posts.

The kit includes adaptor brackets and shims to fit most common chain link and railing post diameters.

Post diameters: 1 7/8\"-2\" (48-50mm), 2 3/8\" (60mm), 2 7/8\" (73mm)
Gate diameters: 1 3/8\" (35mm), 1 5/8\" (41mm)
