

For the ultimate home and lifestyle improvement

The choice is Crystal !

The choice for
build quality

We've stayed in business over half a century because people know our pools are built to last. We Back it. We Warrant it. We Honour it.

The choice for
capability

Size is no object. From plunge pools to olympic size pools... up and down Australia's East Coast Crystal Pools has built and refurbished them all!

The choice for
design appeal

Our design service methodology consistently delivers pools created to enhance your property as well as lifestyle.

The choice for
integrity

We seek quality in service. Read testimonials on our website to get a glimpse of the extra lengths we go to in providing service quality.

Master pool builders with a 54 year reputation for creating the highest quality inground concrete pools
